FUNCTIONAL SCOPE

PRESENTATION OF THE SOLUTION

PROJECT DISPLAY

The Association OutDoor (des Films en Plein Air) is screening films in parks from 6 pm to midnight. Projections are free and seats must be booked online.

NEEDS OF THE ASSOCIATION

- Communicate online,
- Present regularly the activities of the festival,
- List movies to project
- Allow visitors to reserve seats.

1.

FUNCTIONAL SCOPE

The functionalities that the client will need are the following:

- A reservation form,
- A contact form,
- Integration of a Geolocation service,
- Integration of a comment system
- Establishment of a natural referencing.
